All new design inverted Fork Assemblies feature massive 58mm chrome plated upper tubes and triple trees made from 6061-T6 aluminum. Bullet shaped lowers with a completely hidden axle design and exceptional dampening ability for a superior functioning product. These features combined with a precision fit and finish create one of the best value products we offer today.

- Kits includes Forks and triple Tree assembly, Axle kit with Spacers, Stem Nit and Fork Lock bracket.
- These Inverted Forks were designed to use 84/99 FXST style Wheels Assemblies with a single disc. Optional Dual Disc Hardware is sold spartely.
- Triple Trees are machined for, but do not include, both stops.
- STD Length is OEM FXST Length.

Thank you
